November 30, 2011

**NOTICE**

The Creek County Election Board has adopted new precinct lines as a result of the redrawing of congressional, state legislative, and county commissioner district lines. These lines must be redrawn every ten years following the federal census. The new lines are in effect now.

All precinct numbers and polling locations in Creek County are listed on the attached document. The County Election Board will issue and mail new voter identification cards to voters whose precincts have changed.

Contact the Creek County Election Board for more information.
